Avoid Over-Paying Your Taxes and Save Money with These 300+ Tax Deductions for Every Small Business Owners!

Chicago, IL - Dec 20, 2011; This Tax Report by the Foundation for Financial Freedom summarizes over 300+ tax deductions that can save every business owner thousands of dollars and avoid over-paying your taxes. You can no longer just give your CPA a box of receipts and expect low taxes, business owners need to readily know these tax deductions to more profitably operate a business.

“If the value of information is based on how much money you can make or save, then this convenient A-to-Z Tax Report is worth thousands of dollars to every business owner,” said Gary Shorter, President of the Foundation. “For example, most business owners deduct their car as a business expense, but overlook renting their home garage to the business for a sizable tax deductible business expense revealed in this Tax Report,” Shorter said.

Get this easy-to-use A-Z Tax Report, a convenient summary from thousands of pages of IRS tax code that shows small business owners how to take advantage of every tax deduction and save thousands of dollars on your taxes, online at the Foundation’s website: www.FoundFreedom.org

The Foundation for Financial Freedom is intent to be a not-for-profit organization, focused on educational services and market research to help you gain control of your financial future and be recognized as - *Your Tax-Free-Money Specialist™*.
